

## HURST PUBLIC LIBRARY WINS AWARD

For the 18th consecutive year, the Hurst Public Library has been honored with the Texas Municipal Library Directors Association's Excellence in Libraries Award!

Of the 552 public libraries in Texas, 73 received the award this year. This award recognizes the Library's successful efforts to provide enhanced service to the public and enrich the community through features like literacy support, workforce development, meaningful community collaborations, and educational & cultural programming.

## GOOD NEIGHBOR REMINDERS

Here are some ways we can continue to be good neighbors!

- Residential or developed, non-residential property must keep weeds and grass shorter than eight inches tall. Sweeping or blowing lawn and garden debris into the street is prohibited, as is allowing grass or weeds to grow over the curb.
- City Code prohibits garbage accumulating on or in any property. This includes but is not limited to waste matter, trash, debris, dirt, dry grass, dead trees, tin cans, paper, etc., that may become a fire hazard or a menace to health, safety, and welfare.
- If you have a pool, spa, or other water receptacles at your residence, it's important that you maintain it so that it doesn't become offensive or a health concern for neighbors or passersby.
- Property owners should not park an automobile, truck, or any other motor vehicle or trailer for over 48 hours when the vehicle or trailer is without one or more wheels or is apparently inoperative for any reason, including not having registration or current inspection.

If you see something that needs to be addressed, you can submit a service request through the Hurst Where We Live mobile app or online at [hursttx.gov/servicerequest](https://hursttx.gov/servicerequest).

Thank you for being a good neighbor and doing your part to maintain your property!

## WATER CONSERVATION

With the temperatures beginning to heat up, now is a great time to brush up on the guidelines when it comes to irrigation or sprinkler systems:

- There is no watering with irrigation systems or sprinkler systems between 10 a.m. - 6 p.m.
- Although there are two allowable days, you don't have to water if your landscape does not need it.
- Watering by hand-held hose, drip irrigation or soaker hose is allowed at any time.
- No more than two hours per day maximum is encouraged.

Some great water conservation advice can be found at [waterisawesome.com](https://waterisawesome.com). We also have resources and details about your watering schedule available at [hursttx.gov/waterconservation](https://hursttx.gov/waterconservation).

## HURST AQUATICS INFORMATION

We can't wait to see you at the pools this summer!

## FINANCE DEPARTMENT WINS AWARD

Our Finance Department received the Certificate of Achievement for Excellence in Financial Reporting for the City's Annual Comprehensive Financial Report (ACFR) for the fiscal year ending 9/30/2021. The ACFR provides information to the community, council, and staff about how the City manages its resources, including its financial position and results of operations.

The Government Finance Officers Association (GFOA) established this program in 1945, and it has become the highest form of recognition in governmental accounting and financial reporting. This marks the 48th consecutive year that the city has received this award.

Only 11 Texas cities, have received the award for at least forty-five years.
